Hi Pam,

I sent these to Victoria under separate cover but wanted to include you as well. Attached are all the monthly reports from the last several months. We have touched base directly a few times, so there is not much new.

As for the schedule, we anticipate submitting the PDI Summary report in early Q2 2020.

Let me know if you have any questions.

Todd

Todd,

I am writing to inform you that Victoria Sacks will be taking over for me as Remedial Project Manager for Lower Ley Creek. I have included her on this email. Her phone number is 212-637-4297. I will still be available if any questions come up.

Can you please bring your monthly reports up to date? The latest one I received was for April 2019. Also let us know your submittal schedule for the PDI report.

Thanks and Happy Holidays,
Pam
